

# Duplicate & Print Simultaneously

## Features:

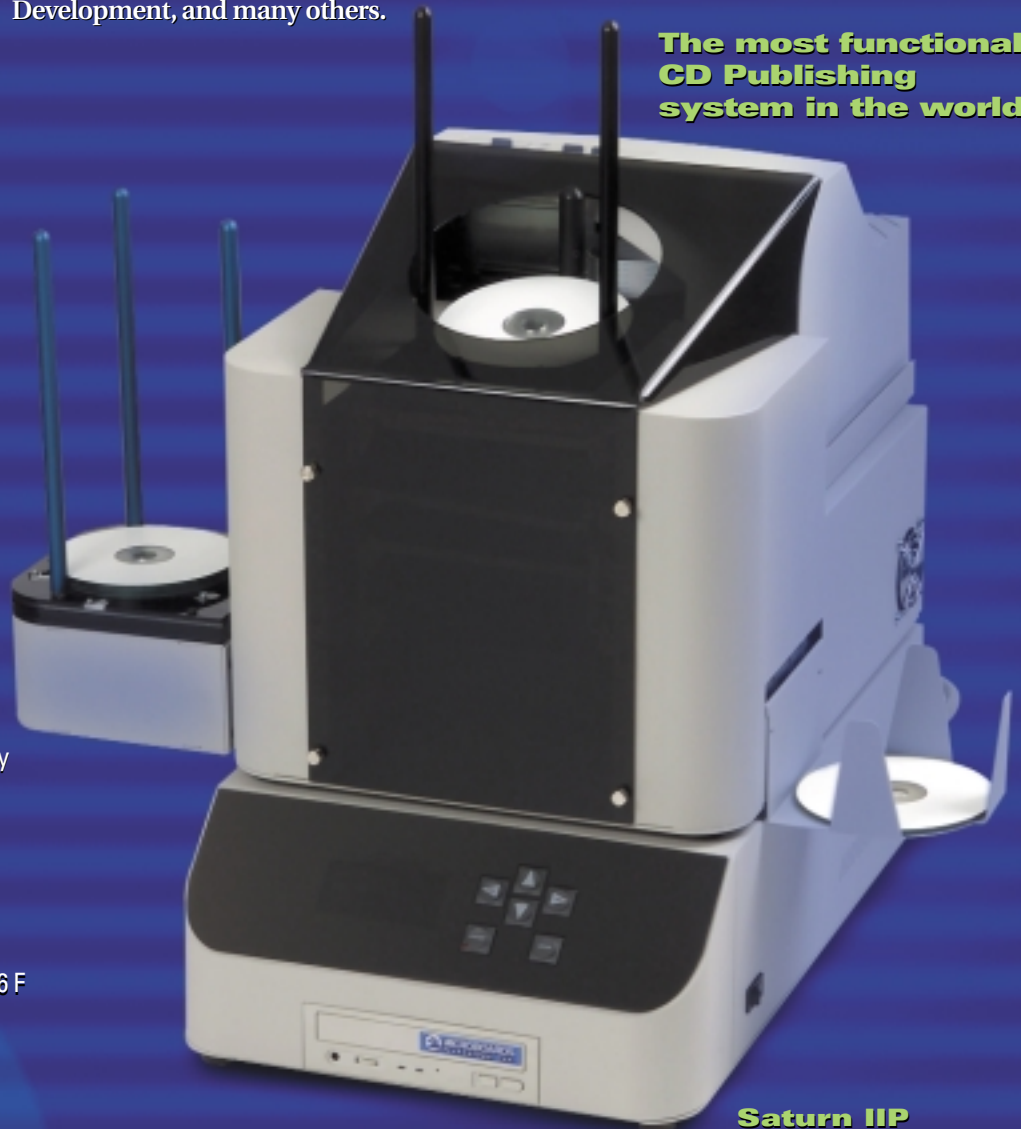

- True 12X recording speed
- Scalable by addition of expansion slaves
- Unattended batch job processing
- No PC required
- Simultaneous record and print
- Sequenced copying for improved throughput
- Duplication and print, duplication only, and print only
- Intuitive user interface

## Technical Specifications:

- **Dimensions:** 19"H x 25"W x 20"D
- **Weight:** Fully Configured: 80 Lbs  
Autoloader: 60 Lbs
- **Vibration:** Operating >0.6G  
(5-150 HZ)
- **Shock:** Operating >5G  
(11 ms max.)
- **Humidity:** Operating  
20% to 80% RH
- Non Condensing
- **Hopper Capacity:** 150 Discs
- **Recorder Speed:** 12X
- **Electrical:** Universal Power Supply
- Manual 115-220 VAC Switch
- **Reliability:** MSBF > 50,000
- MTBF > 10,000 Hrs
- MTTR < 30 minutes
- **Operating Temperature:** 42 to 86 F

The Saturn IIP is a high performance, professional CD Recordable Publishing system that incorporates the ingenuity of MicroBoards Technology's Champion series of standalone autoloaders. Featuring a rapid and precise gravity-fed media loading mechanism, two 12X recorders, and high-resolution printing, the Saturn IIP offers users unmatched quality and ease of use for in house creation of customized CD's. An intuitive user interface allows easy access to multiple functions, including copy, verify, track extraction, and many more. The internal 6 GB hard drive permits the caching of print files, disc images, and extracted tracks, making Saturn IIP the most functional CD Publishing system in the world. The Saturn IIP is ideal for a wide range of applications, including ProAudio, MultiMedia, Government/Education, Software Development, and many others.

**The most functional  
CD Publishing  
system in the world.**
